Notice:

RenWeb has implemented a new user name/password security authentication system. All users have had their user name initially set to their email address. Passwords have not changed.

If you cannot log in please click [Forgot Username/Password](#) to reset your username and password.

If you forgot your username or your password, please use this button instead of contacting the office. If all else fails, we will be able to help you but this should solve most problems

Be sure to click on the correct login type before you click the login button

If this is your first time, click here.

If you have never logged in to ParentsWeb before. When you click on “Create New ParentsWeb Account, you will see this:
